Resolution of the City Council *City of San Diego*

National Public Works Week

Presented by Councilmember Todd Gloria

WHEREAS, public works infrastructure, facilities and services are of vital importance to the health, safety, and well-being of the citizenry of the City of San Diego; and

WHEREAS, the City is committed to revitalize, reinvest and renew our public works infrastructure to find creative ways to sustain performance, increase efficiency and reinvigorate the systems on which we depend; and

WHEREAS, the City of San Diego takes great pride in maintaining its award-winning infrastructure, facilities and landscaping and its aesthetics to promote tourism, business investment and foster a high quality of life; and

WHEREAS, it is in the public interest for the civic leaders of San Diego to champion public works projects in their communities for addressing infrastructure needs and creating job opportunities; and

WHEREAS, the efficiency of the dedicated public works professionals is materially influenced by their skill set, work ethic and understanding of the importance of the work they perform; and

WHEREAS, the support and cooperation of an informed constituency is integral to the proficient operations of public works systems and programs such as streets, parks, public buildings, storm water, environmental services, water and sewer infrastructure; **NOW, THEREFORE,**

BE IT RESOLVED, by the Mayor and the Council of the City of San Diego, that this Council, for and on behalf of the people of San Diego, does hereby commend the exemplary efforts that the public works professionals make to our health, safety and quality of life.

BE IT FURTHER RESOLVED, that the week of May 18, 2009, be and is hereby proclaimed to be, "National Public Works Week" in the City of San Diego.
